

PROJECT PURPOSE AND NEEDS

PROJECT PURPOSE: Provide Premium Transit service between Union Station and Georgetown

PROJECT NEEDS:

- Efficient east-west transit connectivity
- Transportation system mobility
- Reliability of transit
- System capacity and congestion
- Existing and future land use

Premium Transit is high quality transit that offers improved reliability and speed. It can be Express Bus, Bus Rapid Transit, Streetcar, Light Rail Transit or another limited stop mass transit mode.

BUS RAPID TRANSIT VEHICLE EXAMPLE:

LIGHT RAIL TRANSIT VEHICLE EXAMPLE:
